

Annual Meeting 26 - 27 August 2024

at Lillesand and the Birkenes observatory

We are happy to invite you to the

3rd annual meeting for ACTRIS-Norway

The aim of meeting is to

- show and demonstrate Birkenes Observatory as an ACTRIS National Facility, and learn about advanced atmospheric observatories
- work on use cases and new data products for the new ACTRIS Data portal that will be released 4th September 2024

Where: Meeting at Lillesand Hotel Norge <https://www.hotelnorge.no/>, dinner at Strandhaven <https://www.strand-haven.no/> and tour of the Birkenes observatory <https://nilu.com/facility/nilus-observatories-and-monitoring-stations/birkenes-observatory/>

When: 26-27 September

Whom: All at NILU, Cicero and MET that are involved in ACTRIS-Norway and others from NILU working with Birkenes Observatory and ACTRIS procedures.

Transportation: A bus will take the group to Lillesand the first day. Meet at one of the following locations. The bus leaves at the given time.

08:00:
